### **Plans for SLC 2021**

The new state officers have already started brainstorming about next year's SLC. They will be reviewing the online evaluations (workshop and conference) that have been submitted and begin the planning process at their first planning meeting in April.

Tentative dates for SLC 2021 are: Friday-Saturday, February 12-13, 2021. Once the facilities use request has been approved, an official announcement will be made.
