Parli Pro: Before, During & After Academia

Marie Stoner

Parliamentary Procedure can feel like a dry and dusty subject – but it doesn't have to be. Join BPA alumni and former Colony High Chapter Parliamentarian, Marie Stoner, on the exploration of parli pro. Learn about the history and evolution of the customs, the former rules of order that are used now both in your BPA curriculum and in other institutions, and the surprising ways you can incorporate these methods into your post-education lives.

Leveraging Volunteer & Internship Programs

Heather L. Bunning, Director of Marketing & Stakeholder Engagement Business Professionals of America

No matter if you are in high school or college, volunteering and internship experiences can help to boost your skills and expand your network while you work toward the completion of your education and begin focusing on how to utilize your degree.

Whether paid or unpaid, both volunteer experiences and internships are great ways to display your commitment to a cause and promote that hands-on experiences such as these are a priority for you on both a personal and professional level. And, believe it or not, your career can start from something as simple as a volunteer or internship experience.

Come learn how to leverage volunteer and internship experiences and potentially gain a competitive advantage for your future.

Pocket Flags Project

Our objective is to fold as many pocket flags as we can so they can reach the pockets of our military personnel on the front lines. We want them to know that we care and that we are keeping them in our hearts and our prayers.

Spirit Letters for Alaska Special Olympics

Join us as we make cards and write letters of encouragement for local area athletes of the Special Olympics Program.

Miracle Minute

Join us as we collect money for the Special Olympics Alaska for one minute.

Don't Drive Distracted or Impaired

Join us as we learn about saving lives, preventing injuries and promoting safe and healthy lifestyles. Complete an obstacle course while wearing a set of "impaired driving" goggles and then sign a pledge stating your commitment to not driving distracted or impaired.

Blessing Barrel for MyHouse Wasilla

Join us as we add needed items to the MyHouse Wasilla Blessing Barrel. MyHouse is a non-profit organization with two for-profit businesses that train and employ homeless youth. MyHouse is a hand up not a hand out that provides services to homeless youth ages 14-24.
