

2023 SLC Software

MS Office 2019 and MS Publisher 2019 are the standard and will be available in computer labs.

Advanced Desktop Publishing using Adobe Illustrator®, Adobe Photoshop®, or Adobe InDesign®, S, PS will be scheduled at students' local school by the advisor prior to SLC between February 6-17. The Advisor will collect color printouts and submit at the hotel registration desk on Feb. 19

If a student competing in **Fundamental Desktop Publishing** prefers to use Adobe, the advisor may request to schedule at students' local school by the advisor prior to SLC between February 6-17. The Advisor will collect color printouts and submit at the hotel registration desk on Feb. 19

Business Professionals of America, Iowa Association, assumes no responsibility for hardware/software provided by the contestant(s). Contestants who experience failure problems with their equipment will NOT be rescheduled. Contestants bringing their own computers and software should note that contests are authored for the software listed and may not run on alternate software. Blank storage media, if needed, will be provided for contestants by Iowa BPA. No technical assistance will be provided by BPA staff.

Software provided at DMACC Computer Labs:

If you do not have access to Office 2019/365, students may set up an account to use a lighter version of Word, Excel, PowerPoint and more for free on the web. Visit <https://www.microsoft.com/en-us/microsoft-365/free-office-online-for-the-web> for details.
