

Greetings BPA Members and Advisors,

Wishing you all a joyous holiday season filled with warmth, laughter, and cherished moments with loved ones! The officers and I are so lucky to belong to such a strong state association, and we extend our gratitude to all the amazing members and advisors that make up Iowa BPA!

The holiday season is the perfect time to give back, and because service is a key mission of our organization, I deeply encourage you all to participate in philanthropy this season. Whether donating goods, supporting local charities, or hosting service events through your chapter, by giving back, you can connect with your community and make a true difference. I encourage you all to share photos of you and your chapter participating in service this season with our Instagram and Facebook pages (@iowabpa), where we will feature several chapter philanthropy highlights! Of course, if you have any questions or concerns, don't hesitate to reach out to the officers via our social media.

Warmest wishes,
Layan Ahmed
Iowa BPA Vice President of Marketing

Fun Fact about Chicago: Not one single industry accounts for more than 12% of the city's workforce, meaning business in Chicago is some of the most diversified in the US.

CHAPTER SPOTLIGHT

We are excited to recognize Prairie BPA as our December Chapter of the Month. Prairie has always been an exemplary chapter and this year is no different as they have TWO State Officers: Corryn Rausch (Reporter) and Kelsey Taylor (Vice President). One tip and piece of advice they gave for anyone wanting to run for office is just to go for it! Prairie's advisor, Mrs. Hynek, also mentioned the importance of talking to others about how you can help this organization if you are running for office.

"Our chapter is large and full of extremely devoted members. Chapter members are very committed and make time to work on projects. I have the luxury of simply checking in from time to time to see if they need additional help," Mrs. Hynek reports. The Prairie BPA chapter always brings the heat to SLC due to their love for competing. "Our members are in it to win it!"

Iowa BPA would like to congratulate Prairie for all their hard work over the years and wish them luck in all future endeavors!
