This has been an exciting year for BPA, and we cannot wait to welcome you to the Windy City for our 2024 National Leadership Conference on May 10-14. NLC serves as the pinnacle event for BPA members, providing a unique opportunity to connect with peers from different parts of the country. By interacting with fellow members, you not only broaden your network but also gain exposure to diverse perspectives and innovative ideas that can inspire and enhance your own chapter’s initiatives.

Each year at NLC, we take great pleasure in celebrating your exceptional achievements in competitive events, service to BPA, chapter management, community service, and beyond. While in Chicago, we encourage you to seize the opportunity and make the most of everything the conference has to offer – whether it is exploring the exhibitor showcase, attending student or advisor workshops, or participating in community service activities. This year, you even have the chance to create your own friendship bracelets. Crafting these bracelets and exchanging them with peers from across the nation adds a fun and meaningful dimension to the experience, especially knowing that the proceeds support the national service project, Special Olympics. It is an excellent way to blend camaraderie with service, fostering connections while making a positive impact on society.

We also urge you to network with our exhibitors, partners, and sponsors who play a crucial role in making NLC possible. Engaging with them not only fosters relationships but also provides valuable insights and resources that can elevate the success of your future endeavors. Additionally, it demonstrates appreciation for their contributions to NLC and our BPA community as a whole.

Located on the shores of Lake Michigan, Chicago is a vibrant multicultural city renowned for its breathtaking architecture and iconic skylines. We encourage you to seize the opportunity at this year’s NLC by immersing yourself in all that the city has to offer, including indulging in a slice of deep-dish pizza. If you prefer guided exploration, there are numerous fantastic tours available. Whether you’re interested in admiring the city from the water, discovering its sports arenas, or savoring Chicago’s signature dishes, there’s something for everyone to enjoy!

Seizing the opportunity to participate in all these activities can truly enrich the overall conference experience and create lasting memories for everyone involved.

We cannot wait to welcome you to Chicago!

**REFUND POLICY**
- Eligible refund requests received on or before Friday, April 26, 2024, will receive a 75% refund (paid after the conference). No refund requests will be accepted after that date.
- Refunds will not be given for an optional or last-minute change on the part of the attendee or for delayed travel.
- Refunds are not available for pre-purchased merchandise such as t-shirts.
- Tour refunds will be made in full in the event it is canceled by BPA. Refunds will not be made due to inclement weather.
- Refund requests must be submitted via the conference registration system at https://register.bpa.org.
Step 1: Conference Registration

- Select the Conferences tab in the chapter portal and locate 2024 National Leadership Conference.
- There are separate registration processes for advisors, students, and guests/chaperones. Select Register Advisors or Register Students. After completing registration for one attendee group, complete the process for the other group(s) before submitting the chapter’s registration.
- Select the members attending the conference. Chapter members will appear on this list.
- Click the Continue button after checking each applicable member. For more than one member, you will complete the registration process for one member at a time.
- On the Verify screen, select the registration rate, badge title, and any other requested information. Complete the special accommodations section for anyone with a disability.
- On the Competitive Events screen, select the competition(s) in which the student can participate.
- On the Items screen, select any appropriate items:
  - Certification Labs: 1-day or 3-day passes to the Certiport and YouScience certification labs. A student whose competition has a certification alignment does not need a pass unless the student wants to take additional certification exams.
  - Merchandise: List of BPA products.
  - T-shirt: Pre-order the conference T-shirt for your participants or for members not attending NLC.
  - Special Olympics: Register for the Special Olympics Walk fundraiser.
- The Volunteer and APG screens list conference support positions. Advisors are required to select at least one conference support assignment from the Volunteer or APG sections. Guests/chaperones and students may voluntarily sign-up for a conference job, selecting from the options on the Volunteer or Internship screens.
- The Tour screen lists excursions available at an additional cost.
- The Confirmation screen lists selections for that individual before moving on to the next member.
- Select Finish after completing and verifying all member registrations.

Step 2: Hotel Reservation

You will not be able to submit the chapter registration without creating a housing reservation for attendees. Reservations must be submitted prior to leaving the registration system or they will be deleted. Before March 29, all reservation changes can be made in the Conference Registration System. After March 30, email jsmith@bpa.org with requested reservation changes. Do not contact the hotels to make reservation changes.

- Select the Housing button.
- Enter the chapter’s arrival and departure dates. Arrival and departure dates can be changed on the housing screen by selecting Change Arrival and Departure Dates.
- Select the members who will be rooming together; then select the room number and room type for those members. Select the Add to Room button.
- Repeat these steps until all attendees are assigned to a room. If an attendee will be rooming with another chapter, that chapter must add your member to its housing reservation before your chapter can submit the housing reservation.
- Verify the accuracy of costs for each attendee. Report any issues to support@bpa.org.
- After every attendee has been assigned to a room, select the Submit Reservation button.

Rooms for Attendees from Multiple Chapters

Chapters are permitted to share rooms with other chapters. To complete a mixed reservation:

- Chapters must determine who will be responsible for making the reservation.
- The chapter booking the reservation will select the Housing button in the reservation system. Then select the Add Additional Individual button found on the reservation page. Locate the other attendee’s name using the appropriate state and chapter.
- The chapter NOT booking the mixed reservation must wait until the other chapter completes the housing reservation before being able to complete its own registration and housing reservations. Any students in mixed housing reservations will appear on the invoice for the chapter making the reservations, so the other chapter must make arrangements for payment.
• If all your chapter members are sharing rooms with members from other chapters and you are booking NO rooms, you must wait until the other chapter completes the housing reservations before you can complete your chapter’s conference registration. Any students in mixed housing reservations will appear on the invoice for the chapter making the reservations, so the other chapter must make arrangements for payment.

It is required that attendees of the National Leadership Conference stay a minimum of four (4) nights within a BPA-approved hotel guestroom block. Although the official stay dates for NLC 2024 is Friday, May 10 to Tuesday, May 14, any pre- or post-conference nights reserved within a BPA guestroom block can be counted towards the room night minimum. Note that pre- and post-conference nights are limited and subject to availability.

Available minimum stay dates include:
• Wednesday, May 8 to Sunday, May 12 (very limited availability)
• Thursday, May 9 to Monday, May 13 (limited availability)
• Friday, May 10 to Tuesday, May 14 (official stay)
• Saturday, May 11 to Wednesday, May 15 (extremely limited availability)

Attendees who do not adhere to this policy will result in disqualification from conference attendance and/or be subject to pay the cost of room and tax for each night the minimum is not met.

Participants are required to stay at an official conference hotel. The hotel reservation deadline is March 29. Non-compliance is cause for disqualification. Participants confirming a reservation with BPA but failing to arrive to fulfill the reservation without proper cancellation will be responsible for all no-show fees. BPA reserves the right to collect fees from schools directly if a no-show fee results in a direct expense to BPA. BPA room rates are not guaranteed after this date. Housing payments must be made directly with the hotel. For help with hotel reservations, email jsmith@bpa.org.

Step 3: Finalize Your Registration
• Select the Accept Disclaimers button. Carefully read all disclaimers and select the appropriate checkboxes before selecting Confirm.

If you are planning to use shuttle bus service, schedule transportation at least 24 hours in advance.

• O’Hare International Airport: www.flychicago.com/ohare/tofrom
• Midway International Airport: www.flychicago.com/midway/tofrom
**BPA Airport Shuttle**

An alternative airport transportation option is being offered by BPA on a first-come, first-served basis. By booking this option, you will be able to pay for your transportation along with your conference registration. Rates and availability for this ground transportation option are below:

**Arrival Transportation**

One-way price: $45 per person

- To reserve a seat on a BPA airport shuttle, select the desired date and time from the “Items” section of the conference registration for each attendee using this method of transportation.

- Each transportation option is one-way; be sure to select an arrival option and departure option should roundtrip airport transportation be desired.

- For arrival day transportation, be sure to select an option **no earlier than one hour** after your anticipated flight arrival time. This will help to ensure you do not miss your scheduled shuttle should you experience a flight delay.

- Arrival day buses will stop at both the Hilton Chicago and Palmer House Hilton.
  - For those staying at the Le Méridien, you will disembark the bus at the Hilton Chicago and walk across the street to your hotel.
  - For those staying at the Residence Inn, you will disembark the bus at the Palmer House Hilton and walk three blocks to your hotel.

- For departure day transportation, be sure to select an option **no later than two and a half hours** prior to your scheduled flight departure time. This will help to ensure you have plenty of time to get to the airport on departure day.

- Departure day buses will depart from either the Hilton Chicago or Palmer House Hilton. Be sure to select the appropriate option based on where you are staying.
  - For those staying at the Le Méridien, select one of the Hilton Chicago departure bus options as you will cross the street and depart from that hotel.
  - For those staying at the Residence Inn, select one of the Palmer House Hilton departure bus options as you will walk to that hotel and depart from there.

- BPA is not responsible for individuals who miss their reserved shuttle. Alternative transportation may need to be secured at attendee’s expense.
Chicago Transit Authority (CTA)

The city of Chicago has abundant and reliable public transportation through the Chicago Transit Authority (CTA), including between city airports and the conference hotels. CTA/Ventra disposable single-trip and daily passes can be purchased at any Ventra Vending Machine located at all “L” rail stations. Information regarding CTA fares can be found at www.transitchicago.com/fares.

You can also use any contactless payment card or Pay app (e.g., Apple Pay, Google Pay, Samsung Pay, etc.) at all CTA faregates. You will pay the same fare as you would cash or via transit value on a Ventra card. Visit www.ventrachicago.com/how-to/mobile-wallet-apps/ to learn more about the contactless payment option.

CTA/Ventra passes are also available for purchase directly through BPA during the conference registration process under the “Items” section. CTA/Ventra passes purchased through BPA are more costly than purchasing directly from a Ventra Vending Machine, but the benefits include:

• Passes mailed to the chapter advisor via registered mail in advance of NLC so that they can be brought by the chapter to Chicago and used immediately upon arrival.

• Passes mailed to chapters in advance of NLC will include detailed instructions and maps outlining how to navigate CTA between the city airports and conference hotels.

• Ability to pay for ground transportation along with your conference registration.

Student members qualify to compete in national-level events based on BPA state association requirements and should register for the appropriate events during the registration process.

Deletions & Substitutions
Substitutions for events requiring pre-submissions of materials must be completed prior to Saturday, April 1 because students for these events must be registered to compete before their pre-submission is received. Event deletions and substitutions may be made after registration has closed by contacting Sheila Morris, director of education and professional learning, at smorris@bpa.org or (614) 407-7480. These changes must be requested by Friday, April 7. Changes after this date must be made on-site at the competitive events headquarters by the state advisor prior to 6 p.m. CT on Saturday, May 12, 2024.

Schedule Conflicts
Schedule conflicts can be resolved by chapter advisors in the competitive events headquarters at the Hilton Chicago prior to 6 p.m. CT on Saturday, May 12. Conflict resolutions are made on a first-come, first-served basis. Only those conflicts caused by two concurrently scheduled BPA competitive events will be resolved. Judged events cannot be rescheduled outside of the scheduled event times.

Reminders
- Professional dress, conference name badge, and wristband must be worn to all competitive events.
- Only event competitors and authorized personnel will be allowed in event locations. Students may be disqualified if their advisor is in the event room and is not an administrator, proctor, or authorized competitive events official.
- A “contestant number” is required for many events. Students’ eight-digit membership numbers are found in the chapter member list in the BPA registration system at https://register.bpa.org. The member list can be obtained using “Membership Download” on the Students tab.
- Paper copies of test booklets for application and objective events will be provided, but competitors will electronically upload their project(s) on-site.
- Do not schedule tours or meals during students’ contest time. Students competing in a judged or hands-on event will need to keep their schedule free to potentially compete in the finals of that event. Tour refunds are not given due to conflicts with scheduled events or finals.
- Refer to the WSAP Guidelines for information on contestants’ use of their own computers.

Awards
For each division, the top ten scores in each event or all finalists (whichever is greater) will be recognized on stage with medals. The top three individuals or teams will receive plaques. **Awards must be claimed at the 2024 National Leadership Conference.** If you will not attend the Awards Finale, you must make arrangements with someone else to claim the award on your behalf. The last opportunity to claim awards is Tuesday, May 14, 7-11 a.m. CT in the Joliet room on the 3rd floor of the Hilton Chicago. **Awards will not be mailed after the conference.**

Members who bring their own computer for events, as permitted, must also bring all supporting devices (including portable printer, software, extension cords, power strips, paper, etc.). Power will be provided. Carry-in and set-up of equipment must be done solely by the contestant(s) and must take place within the time allotted.

Frequently Asked Questions (continued)

Future developments. The IRS has created a page on IRS.gov for information about Form W-9 at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third-party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to:
- Provide your correct TIN to the person requesting it (the requester) and, when applicable, to:
  1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
  2. Certify that you are not subject to backup withholding, or
  3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporate, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

BPA will not tolerate any type of inappropriate behavior from any individual involved, engaged, or associated with BPA or participating in any BPA activities on the local, regional, state, and national level.
