Hello, Wisconsin BPA!

It's Time For The 2022 WI CTSO Fall Leadership Conference!

Hello Wisconsin BPA!

We are looking forward to starting an exciting year for Wisconsin BPA! The WI CTSO Fall Leadership & Career Conference is the beginning of the many opportunities that students and advisors will have as they participate in BPA this year.

One exciting Wisconsin BPA opportunity is the opportunity to run for Wisconsin BPA State Officer. Please check out the information in this newsletter to learn more about what this opportunity is all about and the simple process to get started. We also have the Wisconsin Pin Design Contest where you could be the designer of the official 2023 Wisconsin BPA National Leadership Conference Pin.

There are many reasons students (and advisors) can benefit from being part of BPA.

Members in a Post-secondary chapter have the opportunity to enhance their educational and professional portfolios through BPA projects and competitions while building their knowledge and skills in service learning and leadership development. Additionally, BPA members have the opportunity to participate in: Student Member Certification Series, • Chapter/State/National Officer positions, BPA Cares, Torch Awards, LearnBPA LMS & Industry Certifications, WSAP Competitive Events & Virtual Events, and the National Leadership Conference in Anaheim, CA.

Have A Great Conference and WI BPA Year!

TARA CHAPMAN'S "BPA WHY"

WI BPA STATE OFFICER - SECRETARY

I love being a part of BPA for the learned experience and the confidence participating gave me. When I began as a nontraditional student in 2020, I was worried about my age and not fitting in because I'm an older student. So, with some doubt and trepidation, I attended my first meeting. The group was very open, welcoming, and willing to explain the program. As the state competition drew near, I wasn't going to participate until our Chapter Advisor gave me a pep talk, asking me just to try, even if it was only one competition. So, we looked over the list, and I selected just two.

That first year, I hadn't completed my testing as well as I wanted, but to my surprise, I placed. Not first or second, but I still placed. I was overjoyed, and my chapter congratulated me as if I had taken home the gold. We celebrated as a group: one winner; we were all winners. This small action confirmed my feelings that BPA was the right organization for me. This glimpse is one small example of the heartfelt moments I experienced with my local chapter that inspired me to take a chance and join the state BPA team.

BPA is an organization based on supporting, challenging, and respecting each of us to help us grow into our purpose as leaders. I have made wonderful friends across the US through conferences and competitions. I urge all to join the BPA family at your local or the state level and grow from the BPA mission, "Giving Purpose to Potential." **#JoinBPA**

2022 WI STATE PIN CONTEST

ABOUT THE CONTEST:

The State Pin Contest is a yearly BPA tradition, and we are currently accepting submissions for this year's contest! This is a great way to demonstrate your creative skills and make your mark on the state and national organization.

Since Wisconsin is a smaller state association with only 1 membership level, our state pin is highly coveted by members at the National Leadership Conference.

CONTEST GUIDELINES:

Pin Contest entries cannot exceed a size of 2" x 2", cannot include any gaps or holes in the design, and they must be submitted in PDF format.

Additionally, designs cannot include any copyrighted material or designs. If you need ideas, be sure to check out the designs on this page - they were created by former Wisconsin BPA members!

HOW YOU CAN PARTICIPATE

Any Wisconsin BPA member, advisor or Alumni is eligible to participate. Submissions will be accepted through **SUNDAY, FEBRUARY 12, 2023 by 11:59pm**

As an extra bonus for student members: anyone who submits a design can earn 5 Torch Award points under Service 229, and the winner of the contest is eligible for Service 230.

Pin Contest designs can be submitted on the Online Entry Form:
<https://forms.gle/m93HnKv9ujB61BXB9>

Any questions about this year's Pin Design Contest can be directed to any member of the Wisconsin BPA State Officer Team. **GOOD LUCK!**

We can't wait to see your designs!
