

PRACTICE TEST ENGINE • STUDENT MEMBER GUIDE

To access the Practice Test Engine, follow the steps below.

1. Log in to the Student Member Portal at <https://register.bpa.org/members>. The **username** is your eight-digit BPA Member ID, and the **password** is your default student password from the chapter.
2. Click on the BPA Practice Test Engine tab. If access has been purchased, you will see the **Go To AnswerWrite** button. If you receive a message saying access has not been purchased, contact the chapter advisor to obtain access.

3. Log in to AnswerWrite using the same username and password as in Step 1.

4. Review and accept the terms of use.

Student Agreement

By accepting the acknowledgement below, you agree to the following terms of the BPA Practice Test Engine agreement.

- This content is the property of Business Professionals of America (BPA) and is protected by copyright and/or other proprietary intellectual rights under United States law.
- BPA grants you non-exclusive, non-transferable permission to access and complete practice tests only for educational and non-commercial use by yourself.
- Advisors, student members, and/or others may not disseminate this content beyond the BPA practice test engine.
- This content may not be copied, broadcast, retransmitted, distributed, published, sold, or otherwise shared on another public site, service, or venue, regardless of educational use.

- Check to agree

5. Once logged in, there will be a list of practice tests from previous membership years. Members will see tests only from their membership division. Tests are timed to mimic the actual competition environment. They offer unlimited attempts and can be repeated at any time. The system provides immediate feedback after the test is completed.

Instructions	
NOTE: Once you click on a link to select a test, you will be taken to an instruction page before the test starts	
Please select a test to take
