1. If our current governing documents will allow us to host the Secondary and Post-secondary annual Business Meeting through electronic means, in the event of the 2022 National Leadership Conference is virtual, given our governing documents have misaligned language.
2. If not for #1, what changes need to be made by the BOT to ensure we can host these meeting virtually.

Elijah Johnson seconded.

It is noted that the Corporate Board requires a Professionally Registered Parliamentarian, not a Registered Parliamentarian. They are currently paying \$65/hour for their parliamentarian. John Lucas points out that he would want to investigate what sort of budget could be used for this motion.

John Lucas moves that the motion is tabled until the next meeting.
